* The attached information concerns deliveries to the SMV. 25X1A
The deliveries from Austrian firms to the SMV are shown in Annex I; Annex II lists SMV imports and a few exports to Maszolai, the Hungarian Soviet Oil Company. As previously reported, the SMV Purchasing Office 25X1A had allegedly been ordered by the General Directorate in Moscow to cancel orders with both USIA and Austrian firms. However the SMV is reportedly continuing to import the goods that were ordered prior to the cancellation.
